**APPLICANT'S COMMENTS ON REASONS FOR ALLOWANCE**

These comments are responsive to the Notice of Allowance mailed on November 27, 2009.

Applicant gratefully acknowledges the indication of allowance of Claims (i.e. claims 1, 3-30, 33 and 34). Applicant respectfully urges that additional and/or alternative reasons for allowance may exist apart from the arguments or remarks made by the Examiner and/or the Applicant during the prosecution of the above captioned case and thus are not limited to those statements. These reasons may each be independently sufficient to establish the patentability of one or more of Claims (i.e. claims 1, 3-30, 33 and 34).

Applicant respectfully reserves the right to introduce, articulate, or otherwise comment on any such additional reasons for allowance as may be appropriate in any future proceedings concerning the one or more claimed embodiments.

Please charge any additional required fee or credit any overpayment to our Deposit
